Dear Parent/Carer

GCSE Mathematics Revision – Practice Papers

As you know, Year 11 have just finished their Pre Public Exams and will now be moving on to revising for their summer exams. An important part of this revision is completing practice exam papers, and the Mathematics Department would like to provide students with twelve practice papers, with the idea of completing two each week in the run up to their exams at the end of May.

To cover the copying costs of these papers, we are therefore asking for a contribution of £2.00. We would very much like to start giving out papers as soon as possible, so would appreciate payment by **Monday 9 April**. If you are currently receiving Free School Meals please tick the box below as there are funds available to cover the cost.

Thank you for your continued support.

Yours sincerely
