The Castle School is looking to appoint an enthusiastic and dedicated **Second in Faculty for English (TLR2b)** to start in **September 2017**.

Situated in Taunton, the historic county town of Somerset, The Castle School is a very popular and over-subscribed academy with an enviable record of academic success over many years. Somerset is a fabulous place to live with easy access to moors and sea, and excellent transport links via railway or M5. As a member of the staff, benefits to you include a priority on the admission criteria for your children at our outstanding school, guaranteed CPD opportunities to help you in your career, strong and productive networks with other outstanding schools, working with an NLE and involvement in school improvement work with other schools.

At The Castle School we are fortunate to have students who are motivated and enthusiastic about learning and taking part in the huge range of enrichment on offer. The Castle Partnership Trust is committed to providing strong professional development support for all colleagues who work with us. As we are an academy sponsor with one other secondary in the Trust but capacity to take on more, there are opportunities to build a fantastic CV working across both The Castle Partnership Trust and our Teaching School Alliance.

This is a fabulous opportunity for an ambitious teacher, but we are equally interested in experienced and proven leaders who are looking forward to a settled career supporting the leadership our English Faculty. We believe that an individual's potential is as important as their experience.
