

**Textile Design GCSE**  
**2024-2026**

# Course Structure GCSE Textiles

## 60% COURSEWORK 40% EXAM

### YEAR 10

#### **Sep-Dec – ‘The Elements’**

COURSEWORK: An introductory skills project designed to teach you a range of textile techniques.

#### **Jan-July – ‘Texture and Pattern’**

COURSEWORK: An extended skills project where you will learn further textiles techniques and how to apply them to your own ideas and outcomes.

### YEAR 11

#### **Sep-Dec – ‘Mock exam project’**

COURSEWORK: A project with 4 theme choices designed to show you how the exam project will be structured.

#### **Jan-May – ‘Exam unit’**

EXAM: You will receive a paper in January from the exam board with 7 themes to choose from. You will then have time to prepare before sitting a 10 hour practical exam at the end of year 11.

# TEXTILES PACK & SKETCHBOOKS

You will require some specialist equipment and sketchbooks in Textile Design GCSE. We recommend you purchase our Textiles pack which has some of the basic equipment you will need on a regular basis as well as a contribution towards fabrics and materials.
