Dear Parent/Carer

**Re: Cambridge National Engineering Design (OCR)**

We're really pleased that your son/daughter has continued to study OCR Engineering Design. Throughout the course, students will complete focused activities using Solid works on the computer and will also complete focused practical tasks in the workshop such as making a handheld maze game.

I am pleased to say, that we can offer Engineering Revision packs available for the purchase cost of £20. The pack consists of 2 books. (My Revision notes, Cambridge National Level 1/Level 2 Engineering Design) by Hodder and the Cambridge Nationals Exam Practice Workbook. It is also worth mentioning that the £20 also contributes towards the cost of materials for the manufacturing tasks throughout the year.

Can you please pay either via the school's online payment system <https://www.scopay.com/castleschool-somerset>, by cash or by credit/debit card (either in person or over the phone with the Finance Department).

Yours sincerely

Mr J Batchelor  
**Head of D&T Department**  
**The Castle School**
